ALBERTA ELKS ASSOCIATION

Mighty Lil Elk Program

About Mighty Lil Elks

The Mighty Lil Elk Program was introduced in 2022 with the goal of helping families in times of need. The Alberta Elks Foundation recognizes that when medical emergencies happen families don't always have time to prepare.

The act of providing support to families in times of need has always been at the forefront of the Alberta Elks Foundation mandate. These care bags offer an opportunity to provide immediate support to families from one family to another.

The members of the Alberta Elks Association are here to help.
"You Never Stand So Tall as When You Bend to Help a Child"

Program Locations

Mighty Lil Elk is aimed at pediatric patients and their caregivers who have had to be urgently rushed to another city for care. This emergency trip often leaves caregivers without any immediate assistance in getting supplies such as hygiene items, cell phone chargers and food. What saves many parents in times of uncertainty are touch points. The things that feel familiar are grounding and reminds them of what awaits them at home. The Mighty Lil Elk care bags are here to provide that support to families. Bags are provided to families by Emergency Response personnel at any touch point during the family's visit to our Regional Hospitals.

Medicine Hat Regional Hospital

Red Deer Regional Hospital

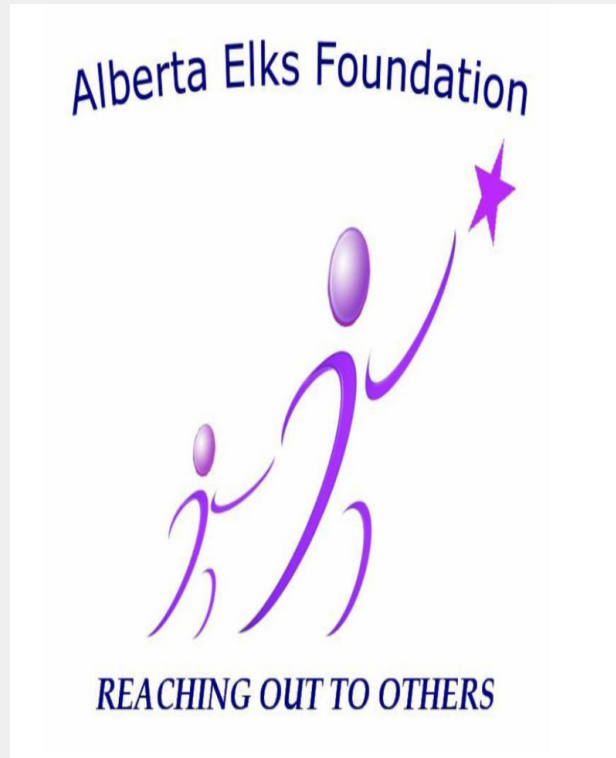

Grand Prairie Regional Hospital

Our Program

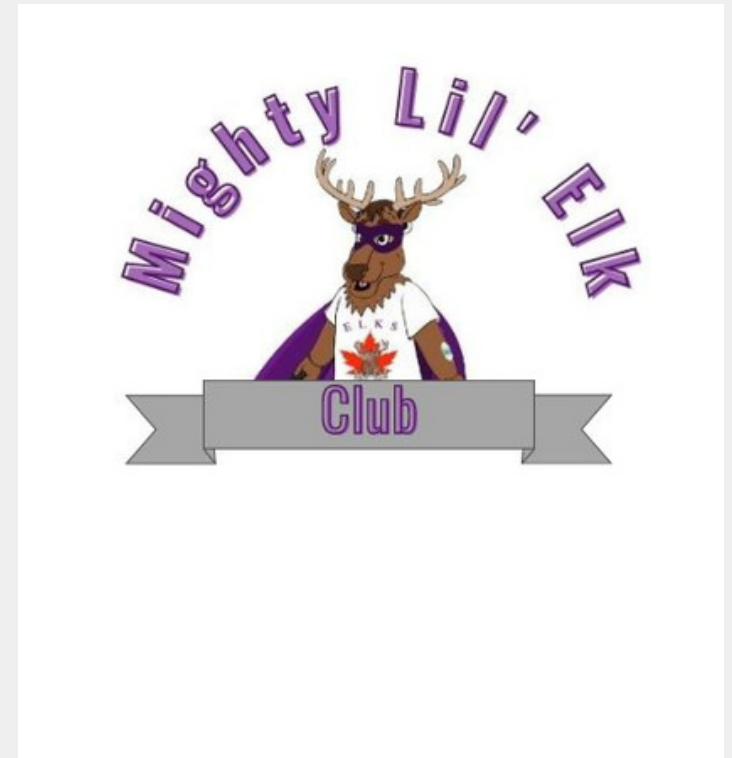

Hospital Survival Bags

Created in 2022, Mighty Lil Elks Hospital Survival Bags are to assist caregivers who are admitted to a regional hospital and have nothing with them

REACHING OUT TO OTHERS

Our Mission

To support families in times of crisis—providing opportunity for us, as volunteers, to rally around parents by providing necessary comfort items in times of uncertainty.

"WE CAN'T HELP
EVERYONE
— BUT —
EVERYONE
CAN HELP SOMEONE.
~ RONALD REAGAN
Asai
