# ALBERTA ELKS NEWSLETTER JUNE 2023

# Newly Elected Alberta Elks Association President Brother James Zimmer

Another chapter has begun on my journey with the Provincial Elks Association with me taking on the role of Provincial President, having been sworn in at the conference held in Stettler on June 3rd. I am honoured the Provincial Elks Association have put their trust in me to take on this responsibility.

The Provincial Association has done a lot of work in the last couple of years and I hope to continue with this momentum. One of our main areas of concern is gaining new members and how to interest young people to join. Back when my children were small there weren't as many choices for kids after school activities. Now there is a great variety of extra curricular activities and therefore many young families are running in different directions, meaning possibly less time to join a service organization such as the Elks. Maybe we need to concentrate on the empty nesters looking for something to do. Just a thought.

Having said that, The Elks is a wonderful group of people that make the communities they are in better. We can lead by "Doing what you can with what you have" and hopefully people will follow.

I am looking forward to my year ahead, meeting many new members and connecting with old friends. In the meantime Have A Great Summer Everyone!

Fraternally Yours

### Delegates in Attendance at the 95th Conference

## **Race for Membership Competition Results Are in**

	REG DPM	FAM DPM	TOTAL DPM	LIFE	TOTAL JULY 1, 2022	INITIATES UP TO MAY 30, 2023	INCREASED TOTAL	INCREASE %
AB	2442	91	2533	77	2610	68	2678	2.61%
SK	1400	49	1449	43	1492	41	1533	2.75%

Immediate Past Provincial President Kelly Sanford learned a tough lesson in what a "Per Capita" bet really means. Saskatchewan Provincial President Kyle Stevenson made an appearance at the Alberta Conference to make sure Sister Kelly made good on the bet. Alberta lost the membership competition, and as the ground rules she had to read the loser speech written by Brother Stevenson.

"Now that I am nearing the end of my term, it has been recommended that I have my eyes checked again as I seemed to be very fuzzy about the details of our bet and how we decided the ground rules. I am so very happy that Brother Kyle kept a record of that conversation from last July to be able to remind me of what the battle lines were - percentages are very important units of measurement. And those numbers are in -Saskatchewan won with an increase of 2.75% and we, Alberta has an increase of 2.61%."

## **Breton Elks Supports Local**

Supporting the Breton community is what we do best.

\* Supporting the 2023 Grad class. In exchange they help us at the Canada Day breakfast and the Community Christmas dinner.

\* Supporting a fundraiser for a fire victim who will be hospitalised for many months.

\*Supporting the Rimbey Hospital by working with the Royal Purple Elks, pooling our resources, and planning to purchase not 1- not 2- but 3 new blanket warmers.

\* Supporting wildfire evacuees by offering them no charge accommodation at the Breton RV Park, courtesy of us and the Village of Breton.

## Regalia Swap

On behalf of the Alberta Elks Communications Committee we are pleased to announce that the 1st Albert Elks Regalia Swap was an outstanding success. Thank you to all the lodges that brought items to donate to the swap. We hope that delegates were able to find themselves new-to-them regalia at conference. The Communications Committee is designing a plan to work with lodges and members to develop an online store as an avenue to promote ongoing regalia exchange. Information will be distributed as it becomes available.

# Come Together: National Online Convention 2023 July 15 & 16, 2023

We are extremely excited to announce that this year's Elks of Canada National Convention will be held entirely online through Zoom, starting July 15th at 8:30 Mountain Standard Time!

Members from across Canada will come together to learn more about the future direction of the Order, have their voices heard on critical issues, and help set the future direction of the Order by voting on resolutions, helping elect the next member of the Grand Executive, as well as learning about best practices in social media engagement, community involvement and new member recruitment from Lodges who are viewed as some of the best in the Order at doing so.

This year we've also added some great enhancements to allow more members to attend and be a part of our National Convention.

- The release of a detailed agenda with specific times for resolutions, elections, and presentation of operating budgets for the Fund for Children and Grand Lodge so that those members who may only be able to attend some of the proceedings can come on and participate at critical times of the Convention. (Coming Soon!)
- Local Lodge viewing parties for those Lodges who want to open their Lodges to members as a group so you can participate together.
- Training sessions with Grand Lodge staff for members who may be new to operating Zoom or need a quick refresher.
- Sessions from some of our most successful Lodges to learn from members of our Order who are doing great things!
- A fun virtual mixer after Saturday's session
- A virtual installation of Officers and our new
