

# ALBERTA ELKS NEWSLETTER

December  
2025

Dear Members,

As the holiday season arrives, it brings with it a chance to pause—and also a chance to look ahead with renewed energy and hope. This past year has been one of change across our lodges. We have honoured and remembered members who will always hold a special place in our hearts, while also welcoming new faces who are helping shape the future of our Order. Change, while sometimes challenging, is also where growth begins.

Across the province, many lodges have experienced new leadership and fresh ideas. This is something to celebrate. New voices bring new perspectives, new momentum, and new possibilities. If your lodge is searching for inspiration or support, please know that you are not alone—your leadership team and the Association are ready to walk alongside you.

Looking ahead, the new year is filled with opportunity. It offers us the chance to reimagine what our lodges can be, to reconnect with our communities, and to build excitement around the work we do together. There are new ideas and initiatives on the horizon, and we are looking forward to sharing them with you in the months ahead.

It's hard to believe that my term is already halfway through—it truly feels like we're just getting started. There is so much potential ahead, and I am excited about what we can accomplish together. I will continue to visit lodges whenever possible, so if you have an upcoming event, anniversary, or special occasion, please let the Association know. We would love to be there to celebrate with you.

On behalf of the Alberta Elks Association Executive, we wish you a Merry Christmas, a joyful holiday season, and a New Year filled with hope, purpose, and possibility.

## **Season's Greetings from the Alberta Elks Foundation Chair**

Dear Members, Friends, and Supporters,

As we approach the holiday season, I would like to take this opportunity—on behalf of the Alberta Elks Foundation—to extend my heartfelt thanks and warmest wishes to each of you.

This time of year reminds us of the importance of kindness, generosity, and community—values that the Elks embody every day. Through your dedication and support, we have continued to make a meaningful difference in the lives of Albertans across the province.

Whether it's supporting children through our Mighty Lil Elk program, assisting families in times of need, or helping communities thrive, your efforts truly reflect the spirit of giving that defines the Elks.

As we look back on the year, I am filled with gratitude for all that we have accomplished together. Your continued commitment and belief in our mission allow us to create lasting impact and build stronger communities for generations to come.

May this Christmas season bring you peace, joy, and time spent with loved ones. I wish you all good health, happiness, and success in the year ahead.

Thank you for all that you do for the Alberta Elks Foundation and for the communities we serve.

With warm regards and best wishes,

Pictured is Exalted Ruler Jordie Bronson presenting the cheque, joined by Barry Gibbs (left) and Tom Carey (right) of the Museum Board.

This contribution will help ensure important pieces of local history — from large-scale artifacts to heritage displays — are safely preserved for future generations.

## St. Albert Elks

St. Albert Elks Lodge #585 was proud to present a \$1,000 donation to the Excel Society, a non-profit organization dedicated to supporting adults living with physical and/or mental challenges.

This contribution helps advance Excel Society's important work of providing compassionate care, meaningful programming, and inclusive opportunities that enhance quality of life and strengthen community connections.

The St. Albert Elks are honoured to support organizations that make a real difference in the lives of those they serve.

## Stavely Royal Purple & Elks

Service and tradition were celebrated as Lady Shirley Hawk received her 60-Year Service Pin, presented by Honoured Royal Lady Sande Heidmiller. Members also gathered in Nanton for a Remembrance Day Service, where Sister Roseanne McNeil (Stavely Royal Purple Elks #99) and Brother Gordon Moon (Stavely Elks #112) laid wreaths in honour of those who served.

A little fun rounded out the month with a friendly membership challenge between Stavely Elks #112 and Stavely Royal Purple Elks #99. The Royal Purple claimed bragging rights — and Exalted Ruler Jordie Bronson honoured the bet in fine fashion, proving that fellowship and laughter remain at the heart of our Order.

## Brooks Elks

The Cadets generously volunteered their time throughout the entire weekend, providing invaluable support and helping ensure the event's success.

In appreciation of their hard work and commitment, the Elks were pleased to present a \$3,500 donation to the Air Cadets. After the meal we presented donations to groups in the local area. One group missing from the pictures was the donation to STARS which will be done at a later date at their hangar.

Service pins were also presented to members for their continued support to the lodge.
